

Love Your Neighbor: Mask Up and Stand Back

The risk of COVID-19 spreading at events and gatherings increases as follows:

Lowest risk:

Virtual-only activities, events, and gatherings.

More risk:

Smaller outdoor and in-person gatherings in which individuals from different households remain spaced at least 6 feet apart, wear masks, do not share objects, and come from the same local area (e.g., community, town, city, or county).

Higher risk:

Medium-sized in-person gatherings that are adapted to allow individuals to remain spaced at least 6 feet apart and with attendees coming from outside the local area.

Highest risk:

Large in-person gatherings where it is difficult for individuals to remain spaced at least 6 feet apart and attendees travel from outside the local area.
